

2018-19
Kittery School District
Commitments

Commitment A

The Kittery School District is committed to promoting a safe, healthful, and respectful school culture, free of bias and harassment.

We will accomplish this by...

- providing ongoing professional development for staff on how to respond to and model an inclusive culture.
- creating authentic opportunities for students to learn, practice, and promote a safe, healthful, and respectful school culture.
- increasing parent/community engagement using creative and multiple platforms.

Commitment B

The Kittery School District is committed to ensuring engaging, innovative, and rigorous teaching, learning, and assessing for all students.

We will accomplish this by...

- refining, implementing, and communicating the key components of a Proficiency-based Learning system K-12.
- supporting teachers to cultivate, hone, and refine instructional practices that build student ownership of and autonomy in learning.
