

Vision 2025: Community Conversations

YOUR VOICE IS NEEDED!

Kittery School District is creating a new vision for the future. Join us for a series of interactive conversations about the hopes and dreams that our community has for our youth. Engage with other community members, parents, teachers, administrators, and students around questions of engagement, success, and innovation in our schools.

Don't miss these fall opportunities to share your insights, experiences, and vision for educational excellence:

October 26, 2020 | 6:00-7:30

How has 2020 shifted our thinking about schooling and education?

The year 2020 has challenged us to rethink, reprioritize, and adjust to new circumstances. What realizations and ideas do we want to hold onto for years to come as we consider next steps for our school system?

November 16, 2020 | 6:00-7:30

How do we educate our students in a rapidly changing world?

We all agree that schools should prepare students to be successful in their next steps after graduation. What does it mean to be college and career ready in today's world?

December 7, 2020 | 6:00-7:30

How do we ensure the success of all of our students?

Our educational system strives to ensure the success of every single student. What conditions do students need in order to feel engaged, safe, and able to succeed?

All community conversations will be engaging and highly interactive virtual experiences over Zoom. Please register by calling Donna Schoff at the Superintendent's Office (207-475-1334) or via email (dschoff@kitteryschools.com) by the Thursday before each event.
