RE: School Committee February 2018 Quarterly Report

Since the November Quarterly Report presentation that I delivered to the School Committee the following activities have occurred:

1. December 6, 2017 three Parent to Parent workshops were delivered
  - a. Persistent and Challenging Behaviors (targeted at grades K-5)
  - b. Learning Styles (targeted at grades K-5)
  - c. Mindset and Building a College Mindset (targeted at grades 6-12)
2. 21 out of 24 online classes were successfully completed for the Fall 2017 semester.
3. 23 students have been registered for online classes for the Spring 2018 semester. We were not able to accommodate/register 5 additional students due budget restraints.
4. 7 students have started to develop Expanded Learning Opportunities that will be aligned to 21<sup>st</sup> Century Learning Expectations as well as various content area competencies. These ELOs will take place during the Spring 2018 semester.
5. Tell Me a Story Workshops will take place at Mitchell School on the following dates:
  - a. February 8, 2018
  - b. March 8, 2018
  - c. April 5, 2018
  - d. May 10, 2018
