Good afternoon Traip Academy families and staff! This is Eric calling, your supt. of schools...

I hope you are enjoying your Sunday. I also hope you had a chance to see my email correspondence earlier today regarding a positive COVID 19 case at Traip Academy with close contacts. Take a look if you haven't seen it.

I just wanted to confirm that Traip Academy will continue to offer onsite learning in spite of today's announcement. However, it is important to note that Principal Drisko and Mr. Roberge have exhausted all available staff in order to maintain an onsite experience tomorrow. If that changes, I will let you know via School Messenger. It is possible that Traip Academy could move into a temporary Status Red due to a shortage of available onsite staff members. For now, we are a 'go' for onsite learning tomorrow, Monday, January 11th.

Enjoy the rest of your weekend!

Sincerely,

Eric Waddell
Superintendent of Schools
