**Kittery School Nutrition Program participates in Maine Harvest Week, September 16-20, 2019**

On Monday, September 16<sup>th</sup> students will experience a special meal prepared by our own Kittery School Lunch Program staff in collaboration with three local farms. The menu includes fresh locally grown and sourced protein, vegetables and fruit. Maine's annual harvest lunch week promotes fresh, local food in school cafeterias and teaches our children and youth where food comes from - including local farms, gardens and greenhouses.
