

Join us for our

COMMUNITY VISIONING EVENT

Thursday,
JANUARY 28
6:00-7:30 p.m.
Virtual Zoom

An engaging and highly interactive virtual experience

In this meeting, we will build upon themes explored in the three community conversations that took place over the fall in order to **establish our vision for educational excellence**. The ideas from this meeting will serve as an important springboard for the visioning committee as they begin drafting the district's vision and plan.

Pease register by calling Donna Schoff at the Superintendent's Office (207-475-1334) or via email dschoff@kitteryschools.com by Monday, January 25th.
