Good Monday morning to our Kittery School District families...

Here's a quick email for you this morning to let you know that the Kittery School District engaged in **scheduled lockdown drills** earlier this morning with the Kittery Police Department. These were planned drills to ensure that our students and staff know what to do in the unlikely event that our schools go into lockdown mode while school is in session.

The drills went very well, and the feedback we received from the Police Department will make our schools even safer. We will have another round of drills (both evacuation and lockdown) later this fall, and these will be unannounced. As always, I will communicate with you, our families, anytime we evacuated or lockdown, drill exercise or not.

Enjoy the week! It's Homecoming/Spirit Week at Traip Academy this week...go Rangers!

Sincerely,

Eric Waddell, Superintendent of Schools
