

Michael Roberge
Assistant Principal/Activities Director (CAA) - R.W. Traip Academy
Athletic Director - Shapleigh School (Grades 6-8)

It is hard to believe that twenty-seven years have passed since I started my teaching and coaching career in the Kittery School District. My coaching career started in the fall of 1993, and I was hired as a physical education/health teacher at Frisbee School in 1995. Since that time I have enjoyed teaching at Shapleigh Middle School and Traip Academy as well as coaching varsity boys soccer, varsity boys basketball and varsity baseball. In 2001, I started my career in administration as the Traip Academy Assistant Principal/Activities Director, and I continue in that role today.

I live in the town of Cape Neddick, Maine, with my wife and three children. My oldest daughter, Logan, is a 2020 graduate from St. Anselm College and is currently a nurse at York Hospital. My youngest daughter, Brook is starting her 1st year at UMaine Orono after participating in a gap year program where she traveled to Colorado, India, Nepal and Thailand. My son, Connor, is entering his freshman year at York High School and lives for sports. My wife is a social worker at York County Community Action. During the summer months we enjoy spending time at our family camp at Square Pond in Shapleigh, Maine, and going to the beach.

I have worked with numerous superintendents and administrative teams during my tenure, but I have to say I am extremely excited to work with Mr. John Drisko and the entire 2020-2021 KSD Administrative Team. We have lots of exciting work ahead of us in uncertain times. Together our goal is to create a safe and healthy environment by following the Kittery Promise.
