March 2, 2021

Good morning...

And it's a windy one! I see from the CMP website that about 1400 Kittery customers are without power. I'm hoping it will be a brief issue and that technicians are working on the problem now. All three of our schools are fully powered. For those students at home today who are without power, please know that our staff will work with your students today as this wind persists and as the power company continues to address power outages.

If we can do anything more to help, please let us know. Our School Nutrition staff are preparing the daily meals for delivery. Depending on road conditions (lines down, tree limbs down, etc...), meal deliveries may be delayed a bit.

Be safe!

Sincerely,

Eric Waddell  
Superintendent of Schools
