Annual Notification of Asbestos-Containing Building Materials in all Kittery School District Facilities 2020-21 School Year

TO: Parents, Guardians, Employees
FROM: Eric Waddell, Superintendent 
DATE: September 1, 2020
RE: Asbestos Containing Building Material (ACBM)

All school buildings in the Kittery School District have been inspected for the presence of asbestos containing materials. A written plan for the management of asbestos containing materials has been developed. This plan noting the type and location of (ACBM's) is available for inspection at the principal's office.

The management plan is an outline of the operational procedures designed for the proper maintenance and safety of all people who work, study, or is otherwise present in any of the buildings to minimize the exposure to asbestos hazards.

The condition of all (ACBM's) is semi-annually subject to surveillance.

This notification is not designed to alarm you but to notify you of the presence of the material in accordance with federal law. The asbestos materials throughout the buildings are minimal.

Horace Mitchell Primary School is asbestos free
Shapleigh School is asbestos free
