December 18, 2020

Good day to all!

It's the Friday before our December break. My check-in today is going to be brief and right to the point!

- **York County continues in Yellow classification.** The next re-classification is scheduled for December 31st. If our county's classification changes, I'll let you know then.
- **Remember that the deadline to change your student's status for Phase 3** (beginning February 1st) is January 15th. Let your student's principal know via email if you want to change from onsite to remote or vice versa. Want more details? See December 16th email from me.
- **Monday and Tuesday, December 21 & 22, are full remote days** at all three schools (memo from December 16th is attached). By now, you have received instructions for the days from both the principal and your student's teachers.
- **Would you like to order lunch for Monday and Tuesday?** It would be 'curbside pickup at Shapleigh School. [Click here](#) for the link to order!
- **Thank you to those who offered feedback from last Friday's check-in.** It's not too late to weigh in. If you [click here](#), you can access the feedback survey. 201 have already weighed in...thank you!

My next Friday check-in will be January 8, 2021 (what a delightful ring that has!). Putting 2020 in the rearview mirror will be good for all of us. Have a wonderful December break; here's to a happy and healthful New Year, filled with promise and hope.

Sincerely,

Eric Waddell
Superintendent of Schools
