February 9, 2021

Good afternoon...

Although I'm reaching out to the entire Shapleigh School community, **this applies only to grade 8 families.** As you know from my email to you earlier today, we learned this morning that an individual at Shapleigh School has tested positive for COVID 19. The student close contacts are quite limited, but given our organizational structure by grade, the onsite 8th grade teacher team must quarantine as close contacts. Because of that, **the entire 8th grade student cohort will be moving to a full remote deployment for the next three school days, February 10, 11, and 12.** For the other grades, it will be business as usual these next three school days, and following the upcoming February break, we will resume normal status yellow operations at Shapleigh School.

If you have any questions, I would encourage you to call Shapleigh School and speak with Principal Ellis or Mrs. Perry. Thank you for your unwavering support. It means a lot to us.

Enjoy your evening!

Sincerely,

Eric Waddell
Superintendent of Schools
