

I PROMISE!

The Kittery Promise

As members of the Kittery community, we take our mutual responsibility to protect each other and our town very seriously. By following CDC-recommended COVID-19 safety precautions, you protect not only yourself, but also all members of the school community and the larger Kittery community. We want to work, learn, and grow as safely as possible!

By caring for the welfare of one another, we can help to prevent the spread of the coronavirus.

As a member of Kittery School District community, I agree to lead by example, to take action to keep our community and myself safe to the greatest extent possible, and to vocally encourage others to adhere to this commitment.

*To the greatest extent possible, I (**the student**) promise to:*

- *Earnestly ask myself the four 'self check' questions every day before arriving to school or before boarding the school bus.*
- *Stay away from others if I'm symptomatic.*
- *Maintain 6-foot physical distancing.*
- *Wear a face mask at all appropriate times including on the school bus.*
- *Practice excellent hand hygiene.*
- *Help to keep shared spaces sanitized.*
- *Observe signs.*
- *Comply with all safety rules even outside of school.*

*To the great extent possible, I (**the parent/guardian**) promise to:*

- *Earnestly ask my student the four 'self check' questions every day before he/she arrives to school or boards the school bus.*
- *Support the school with its efforts to keep everyone safe.*
- *Travel only when absolutely necessary and disclose to the school if my student has traveled outside of Maine (exempt states: NH, VT, CT, NJ, NY).*
- *Drop off things at school for my student during the day only when absolutely necessary.*
- *Honor the privacy of students who I may see during my student's remote learning experience and be mindful that I am a 'guest' in that classroom.*
