Dear Kittery School District families....

I am very pleased to share the **DRAFT Re-opening Plan** for the Kittery School District. The plan reflects several months of work, and although it remains a DRAFT, it has been vetted extensively by Kittery School District staff. The plan continues to evolve since the *Maine Dept. of Education's Framework For Returning to Classroom Instruction* also changes weekly.

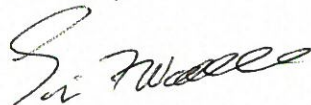

Please take a look. The plan has seven parts as well as an appendix with the *Pre-Screening Tool* and the *Maine DOE Framework* for your reference. The Planning Team welcomes your feedback as we prepare to move the plan forward to the Kittery School Committee at its August 4th meeting.

Specific feedback for this *Re-opening Plan* should be emailed to Donna Schoff ([dschoff@kitteryschools.com](mailto:dschoff@kitteryschools.com)) by noon on Friday, July 31st.

Concurrent to finalizing the details in the District Re-opening Plan, each of our three schools has been hard at work ironing out specific details about how the plan will be applied to each school. If you have school-level suggestions/feedback/ideas, please share those via email with your student's principal. I know they will appreciate it!

As always, I thank you for your ongoing support during these trying times. We'll make it by sticking together and supporting each other!

Sincerely,

Eric Waddell  
Superintendent
