September 28, 2020

Good Monday morning...

I hope you all had a restful weekend and are ready for the week ahead. Last Friday, Governor Mills designated York County as a 'Yellow' classification which indicates that we here in York County continue to have an increased level of community risk for Covid-19 transmission. We must continue to follow the **Promise**--wear a mask, keep your distance from others, wash your hands often, and self-check daily before coming to school or boarding the bus.

The next update is scheduled for this Friday. I will let you know immediately if our status changes here in the Kittery School District.

On another note, The Kittery School Nutrition Program will be offering home delivery of meals starting October 5th for families who cannot get to our **remote pick-up site***. We strongly encourage families to continue using the **remote pick-up site*** whenever possible. Please email Wendy Collins, SNP Director (wcollins@kitteryschools.com) if you need meals dropped at your home. Please include your name, address, and the number of children who are 18 years and under who will participate in the program.

Enjoy the week!

Eric Waddell
Superintendent of Schools

**The remote pick-up site is located outside at Traip Academy (12 Williams Avenue) from 10:00 - 10:45 AM Monday through Friday.*
